*The much-awaited Sports Day 2023 at Repton International School was a triumphant success. This year's Sports Day, the first in over four years, featured an impressive lineup of over 68 athletic events, showcasing the remarkable talents and skills of the participating pupils. The enthusiastic spirit and dedication displayed throughout the day, as well as the exceptional sportsmanship, made for an inspiring event.*

*The participants, including parents and teachers, demonstrated unwavering commitment and enthusiasm, reflected in their outstanding performances on the field. The event was a true celebration of athleticism, sportsmanship, and teamwork, and we are grateful for the support and participation of everyone involved. We hope to build on this tremendous success and continue to elevate the event in future years. We eagerly anticipate the next Sports Day, where we will once again have the opportunity to applaud the hard work and dedication of the Repton International School community.*
